Welcome to our Sphero kit!

To get started, you'll need to **download the Sphero Edu and/or the Sphero Play app(s)**. Sphero Play will let you drive Sphero around, play games, and do some simple block coding. Sphero Edu can also drive Sphero, but it lets you code 3 different ways (drawing, blocks, and text) and has activity suggestions for you, too.

Sphero Edu is compatible with iOS, Android, Kindle, Chrome, Windows, and macOS. Get it by going to **onelink.to/82crzt**.

Sphero Play is compatible with iOS, Android, and Kindle Fire. Get it by going to **onelink.to/77wn5j**.

Or you can scan the QR codes below.

Sphero Kit Inventory

This kit includes:

- 1 Sphero 2.0: $142.52
- 1 Sphero 2.0 charging cradle and cord
- 2 Sphero covers: $18.99 ea.
- 1 Sphero chariot and chariot code card: $25.49
- 2 small ramps, with 2 rubber feet each: $5 each ramp
- 1 cup stand: $5
- 1 Sphero Quick Start Guide

Please return all of the contents of this kit by its due date. Late fines are $1 per day.

If you lose or damage part of this kit, you will be charged the cost listed above for each item that must be replaced. The charging set-up used for this Sphero model has been discontinued; the replacement fee will be $142.52 for a new Sphero, or you may attempt to find a working secondhand charger yourself.

The full kit replacement cost is **$177.98**.
