

# Welcome to our littleBits Star Wars Droid kit!

To get started, you'll need to download the littleBits Star Wars: Droid Inventor app, compatible with Android and iOS. You can find it by going to [onelink.to/qwnfuf](https://onelink.to/qwnfuf) on the device you plan to use. Or you can scan the QR code below.

The app will have the instructions you need for building the Droid.

This kit includes:

- 8 littleBits parts:
  - W1 wire in/out: \$7.95
  - O11 servo: \$25.95
  - O25 DC motor: \$19.95
  - P4 power: \$5.95
  - W32 control hub
  - I8 proximity sensor: \$9.95
  - Battery to power cord: \$4.95
  - Battery holster
- 1 9V battery
- 17 Droid parts (see side of box for image inventory)
- Getting Started insert
- Cardboard box/case

Please return all of the contents of this kit by its due date. Late fines are \$1 per day.

If some or all of this kit is damaged or lost, you will be charged for its replacement.

LittleBits parts that are available for sale have their prices listed to the left and can be replaced individually. Add \$4 for shipping to the total replacement cost of these parts.

If this kit is missing parts that cannot be individually purchased, the full kit replacement cost will be charged.

The full kit replacement cost is **\$57.74**.
