

Welcome to our Bloxels kit!

To get started, you'll need to download the Bloxels EDU app or log in online at build.bloxels.co.

The app is compatible with Android, iOS, and Kindle Fire. You can get it by going to onelink.to/fbqmuw or by scanning the QR code on this card.

For tutorials on how to use Bloxels, visit www.bloxelsbuilder.com/tutorials and read the Getting Started in the App section.

For login details, please check the small card included in this kit.

**Scan this code to
get started!**
